Yearley Reynolds Love Unsung Hero Awards

Nomination Form

The Yearley Reynolds Love ("YRL") Unsung Hero Award recognizes the accomplishments of six student-athletes who help their teams achieve success in ways that may not be measured in goals, saves or ground balls. This honor places value on kindness and generosity, characteristics that are often undervalued in the competitively charged environment of college lacrosse. The award is given annually to inspirational lacrosse players, both male and female, from Divisions I, II, and III.

Please fill out this form to nominate a player for the 2022 YRL Unsung Hero Awards.
