MOVE FOR LOVE

Join fellow One Love supporters at the Maryland Zoo this spring — top corporations in Baltimore will be there, **will you?**

On June 7, 2024, One Love will bring together thousands of supporters from across MD, DC, DE, and VA to make moves for healthy relationships at our 3rd annual Move for Love event at the Maryland Zoo in Baltimore.

Funds raised by Move for Love enable One Love to reach more young people in the Mid-Atlantic area with relationship health education. Through the delivery of **workshops, professional development trainings, youth leadership summits and the development of new resources**, One Love helps everyone see the signs of healthy and unhealthy relationships.

Join Move for Love for your employees! Community Building

Employees are looking for opportunities to develop a stronger sense of community and purpose while working remotely. Sponsors of Move for Love are encouraged to build a corporate team that can participate and learn about the importance of healthy relationships together.

Healthy Habit

Give your team members an opportunity to recharge by encouraging them to get outside and move. Studies show that people are happier when they walk outside for as few as 15 minutes a day, and these short breaks from our screens and desks actually boost engagement with work.

Create a Healthier Workplace

Through participation in this event, your employees will have an opportunity to learn about how healthy and unhealthy relationship behaviors show up in the workplace and receive tips for practicing healthy relationships with colleagues.

BECOME A SPONSOR

Why We Move for Love

"I Move For: Healthy Love! I'm running for not only those who need the help but for those amazing men and women who stand up to stop, educate, and help those who need it!"

"I Move For: My younger self, who didn't know about unhealthy relationships and spent too much time in one. I'd love to help prevent that happening to someone else."

"I Move For: Healthy relationships education. It's important that teens, young adults, and adults understand what a healthy relationship should and should NOT look like."

About the One Love Foundation

Founded in 2010 to honor the memory of Yeardeley Love, One Love's mission is to stop relationship abuse. One Love believes that by educating young people about healthy and unhealthy relationship behaviors, we can empower them to identify and avoid abuse and create a world of healthier relationships.

One Love's work helps young people navigate their relationships, not just romantic partnerships but also those with peers and family, in real and powerful ways. Moreover, as we begin to better understand the connection between the health of our relationships and various social outcomes, we see that relationship health is a root cause issue. To date, One Love has educated over 2.9 million young people through our dynamic film and discussion-based workshops, including 357,000 in the Baltimore region.
